revision 01

ART. NR. : 59 75983

Safety notice section A

General information section B

Parts list on board level section C

Service sheets section D - V

 Transmitter RCU800 79 1636/79 1637 section D

 RGB input + switch 76 1748 section E

 RGB TTL input 76 1749 section F

 QUAD decoder 76 1753 section G₁

 QUAD decoder+RGB Gain Control 76 1822 section G₂

 R /G /B output 76 1750 section H

 CRT socket RED 76 17592 section I

 CRT socket GREEN 76 17595 section I

 CRT socket BLUE 76 17596 section I

 Controller 76 1773 section J

 PLL 76 1756 section K

 Sync. + Vert. defl. 76 1768 section L

 Hor. defl. 76 1766 section M

 N/S Correction 76 1765 section N

 Electrical focus 76 1745 section O

 Convergences 76 1772 section P

 SM Power supply 76 1770 section Q

 Power input 76 15485 section R

 EHT 76 1742 section S

 Frame 76 1775 section T

 IR receiver module 76 1781 section U

 IR remote receiver 800 98 27510/98 27515 section V

Block diagrams section W

 Vertical deflection circuit

 Horizontal deflection circuit

 Video signal circuit

Service Information section X

 Cabinet removal-Top cover replacement

 Use of the service kit 98 27600

 Replacement of a picture tube

Miscellaneous section Y

 Failure - I²C error
