Notes:

- Parts orders must contain model name, parts number and description.
- When you place an order for spare parts, please refer to the respective service manual and mention the right parts number on your P.O. Sheets.

- Standard resistors, capacitors and coils which are normally available from local electronics suppliers are not stocked in our warehouse.

- The components identified by a Δ mark or with the symbol Nos. shaded are critical for safety. Replace only with parts number specified.

The letters NSP in the table indicate non-service parts.
